# Pee Wee Summer Camp Program

**Monday-Friday**  
**Hours: 9:00am-3:00pm**  
**Ages 2.9 years old - 6 years old**

We would like to introduce our Pee Wee program this summer. Our new Pee Wee Camp are for campers who are 2.9 years old to 6 years old (children entering first grade). Our camp will help our campers learn and follow the YMCA four core values. Caring, Respect, Honesty and Responsibility.

In our new Pee Wee Camp we created a program for our young campers to learn and have fun over the summer camp. Our children will be learning about new authors this summer. In the first session our campers will explore different books and characters by author Dr. Seuss. In the second session the children will read books by Eric Carle. After reading the different books they will have different activities that are related to the different stories. They will also have an early introduction and review of their numbers, letters, and colors to prepare them for September.
